Kwalu rigid sheet wall covering is **Virtually Indestructible™**. It protects your walls from the damage that occurs in most environments by acting as a barrier between your walls and wheelchairs, gurneys, beds, cleaning equipment and housekeeping carts. Kwalu wall covering is scuff-resistant, easily repaired, and is backed by the industry's only **10-year warranty** on **construction** and **finish**.

Installation service available. Call Kwalu for additional information.

Complement rigid wall covering with Kwalu Virtually Indestructible™ seating, casegoods, tables or other wall protection.
