## Guest – Armless

The armless version of the Modena Guest Flex is a thoughtfully designed chair featuring an upholstered back and seat. The flex frame connects from its seat to the back, enabling a modest amount of flexibility in this short backed chair. Wallsaver back legs ensure the walls remain in pristine condition.

Model: MDANAG11  
21.75W 27D 35H 17.75SW 18.5SD 19SH

### Features

#### Flex Back

Frame enables a modest amount of flexibility in the back only; seat, arms and legs remain stationary.

#### Wallsaver

Wallsaver back legs help keep walls in pristine condition.

#### Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

#### Steel Reinforced

Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

#### Visible Cleanout

Cleanout is incorporated behind the seat cushion to prevent buildup of debris while providing a clean look.

#### Faceted-Edge Frame Detailing

The outside face of the chair frame showcases faceted-edge detailing reminiscent of hand-crafted wood workmanship.
