## Mobile Cabinet

Kwalu's New York Collection is designed exclusively for the healthcare market. The Mobile Cabinet is staged on a platform giving it the perfect height for the patient's use, in or out of bed. Its height and edging protect the finish to keep the unit in pristine condition. Other standard features include a ventilation grommet at the back of the unit, locking casters on the front and non-locking casters on the rear. Choose a top of Corian material or Kwalu. Optional drawer liners are removable for easy cleaning. This product is designed for personal items and supplies. It is not intended for clothing storage.

Model: NYBS30CT
