varallo

Guest

Inspired by mid-century design, the Varallo Guest chair is suitable in a resident room, a reception or lounge. Frankly, it is hard to think of a space this mid-century design with its curvaceous back, cascading arms and Kwalu modern tapered legs does not fit in. Varallo also has a concealed cleanout to eliminate a build-up of debris.

Features

Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Steel Reinforced

Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

Concealed Cleanout

Concealed cleanout eliminates a debris build-up behind the seat cushion.

10 Year Warranty

We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.
