Ethan Collection

Mobile Cart

Designed by Brian Graham, the collection seamlessly blends form and function, where minimalist design meets the complex needs of healthcare environments. Its soft edges and understated elegance create a serene, cohesive atmosphere that promotes healing and comfort. The collection offers practical storage solutions, including a wardrobe with a bench, a bench, several bedside tables—one featuring a mobile pouf—chests, and a mobile cart, all intuitively designed for ease of use. The durable Protea™ and Protea Fusion surfaces are engineered to withstand the rigors of healthcare settings, ensuring long-lasting performance.
