kwalu®

Valdina Collection

Combining elegance and functionality, the Valdina Collection is ideal for lobbies, patient rooms, and exam rooms. Featuring a distinctive boxcar seat design with floating backs for easy maintenance, each piece in the Valdina Collection provides a comfortable, inclusive, and inviting environment for patients and caregivers alike.

Tailored for Support and Care

The patient room should be a haven of comfort and healing, nurturing both patients and their families with thoughtful design and functionality. The Valdina Patient Chair offers the necessary support and cushioning for extended periods, ensuring patients remain comfortable throughout their stay. The Carrara

Sleeper Sofa provides a nurturing space that effortlessly transitions from seating to lounging to sleeping. Together, they create an environment that caters to rest, work, and togetherness with care and sophistication.

Enhancing the First Impression

The waiting room sets the tone for a patient's comfort and care, serving as the first point of contact. The Valdina Collection's versatile seating options are thoughtfully designed to provide comfort and style, creating inviting spaces where patients and their families feel welcome and at ease. This combination of design and functionality fosters a nurturing and supportive environment, helping to alleviate anxiety and promote a positive mindset before care begins.

Comfort from Start to Finish

Exam rooms require a calming and supportive environment for effective patient care. The Valdina Collection's Guest Chair is the optimum exam room chair. Its designed with adequate cushioning, support, and a frame that enables a modest amount of flexibility in the back ensuring comfort during extended periods of use, preventing discomfort that can lead to a negative patient experience. By focusing on these essential aspects, the Valdina Guest Chair nurtures a positive patient experience throughout their visit.

Patient Well-being, Even in Urgent Situations

The design of emergency waiting room furniture is crucial in providing comfort during stressful situations. The Valdina Collection's chairs are a prime example of this, as they are crafted to offer both resilience and comfort for long durations. This thoughtful design not only aids in physical support but also contributes to a more tranquil atmosphere, which can be significantly beneficial for individuals and families facing emergencies.

Willowbrook Haven General Hospital

In the patient's sanctuary, where every detail matters, trust our non-porous material to deliver cleanliness, comfort, and peace of mind on the journey to recovery and sustained good health.

Embarking on the patient's road to recovery, cleanliness stands as a cornerstone for sustained well-being. Here at Kwalu, we understand the importance of maintaining pristine surfaces, particularly in healthcare environments. That's why Protea™, our innovative non-porous material, outperforms traditional coated furniture surfaces of both wood and metal. By combining appropriate furniture materials with the correct cleaning products, we ensure a cleaner surface environment and contribute to controlling the spread of infection.

With the ability to withstand rigorous daily cleaning regimens without compromising its finish and appearance, Protea ensures longevity and durability in healthcare settings. Moisture impervious and compatible with EPA-registered disinfectants, it takes infection control to the next level, safeguarding against viruses and pathogens.
