Features

Nightingale Award

Kwalu's GetWell Patient Room was awarded a Nightingale Innovation Award for Surfacing Material.

Durable Finish

Protea™ delivers the warmth of wood with a low-glare finish and superior durability. Non-porous, moisture-impervious, and easy to clean—performance without the upkeep.

Easy to Grasp Handgrip

Extended arm creates easy to grasp handgrip.

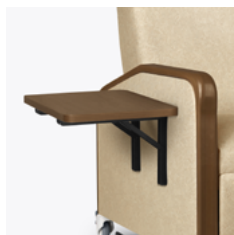

Concealed Cleanout

Concealed cleanout eliminates a debris build-up behind the seat cushion

Trendelenburg Mechanism

While at the fully reclined position depth of 66 inches only staff can engage the latch accessible at the base on either side of the chair while pushing on back to activate the Trendelenburg mechanism.

Optional Side Folding Table

An optional side folding table is available on the right side only.

Easy to Clean

Clorox Healthcare and Kwalu are partnering to fight HAI's. Kwalu chairs have no topical coatings, so sanitizing solutions commonly used in healthcare environments can be used – including 100% bleach – without degrading the finish.

10 Year Warranty

Backed by a 10-year Performance Warranty on construction and finish, ensuring long-lasting durability and appearance.
