Ellie Sleeper Sofa

The Ellie Sleeper Sofa was created to support care partners and family members who stay beside the patient throughout recovery. In patient rooms and family areas, Ellie offers comfort and function across every posture—sitting, resting, or sleeping—helping create an environment where everyone feels supported.

Features

Protea™ Finish

Protea, our proprietary material, avoids the common drawbacks of wood. Protea is moisture impervious, graffiti-resistant, and easy to clean.

Fold Down Cushion

Back cushion, backed by a black waterproof fabric barrier, folds down to create one of three sleeping surfaces – 69", 72", or 75".

Optional High Recliner Arm

Available with a high recliner arm that supports multiple postures for long-duration stays.

Protea Utility Shelf

Built-in Protea™ utility shelf provides a durable, easy-to-clean surface for personal items or equipment, with optional USB/power integration.

Replaceable Components

Back pillow, seat, arms, and Protea components—including bumper, legs, arms, and utility shelf—are all replaceable.

Optional Side Table

Available in single- and two-tier versions, the side table attaches directly to the sofa for added surface space to keep personal items within reach.

Optional Tablet Table

Available on the sides only; not compatible with the high recliner arm or side table.

Concealed Cleanout

A 360° cleanout design.

Optional USB/Power

Optional USB/power integration is available in the front panel or within the Protea utility shelf.

10 Year Warranty

We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.
