

Modena Behavioral Collection

kwalu®

Modena Behavioral Collection

The Modena Behavioral Health Collection adapts the signature sweeping lines and sculpted forms of the collection for low- to mid-acuity behavioral health environments. Available with open or enclosed side panels, Modena balances comfort, durability, and safety while maintaining the warm, residential character that defines the collection.

Modena Behavioral Design Features

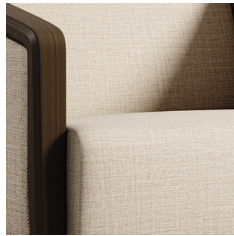

Protea™ Finish

Protea, our proprietary material, avoids the common drawbacks of wood. Protea is moisture impervious, graffiti-resistant, and easy to clean.

Steel Reinforced

Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

No Cleanout

Tight seat-to-back spacing to reduce concealment points.

Upholstered Arm Panels

Available with half or full arm panels.

10 Year Warranty

We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.
