26AH 66Ext. Depth

Product Features

					
Nightingale Award	Durable Finish	Push on the Arms Mechanism	Concealed Cleanout	Extended Length	Easy to Clean
Kwalu's GetWell Patient Room was awarded a Nightingale Innovation Award for Surfacing Material. Learn More >	Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.	The recline mechanism is activated by a simple push back on the arms.	Concealed cleanout eliminates a debris build-up behind the seat cushion.	Fully reclines to a depth of 65 inches.	Clorox Healthcare and Kwalu are partnering to promote cleaner surfaces. Kwalu chairs have no topical coatings, so sanitizing solutions commonly used in healthcare environments can be used - including 100% bleach – without degrading the finish. Learn More >

Product Foam

Foam is compliant with CAL 117 and AB 2998

Product Glides

Metal Screw in Glide with Teflon Cap
