Palencia Table

Modern and sculptural, the Palencia Table introduces a distinct design element to the space. Available in both coffee and side table options, its soft round top and tapered base create a clean, modern silhouette. The base is crafted with Protea™ Fusion, combining the rich character of wood with a durable, easy-to-clean surface—ideal for high-traffic environments. The top can either match the base with Protea™ Fusion or create a striking contrast with solid surface options, offering flexibility in design and functionality.

Features

Protea™ Fusion
