

Lecco Bar Height

kwalu®

Lecco Collection

Bar Height

The Lecco tables are completely constructed of easily cleaned and maintained Kwalu laminate material on steel reinforced frames. Lecco is available in multiple sizes and two heights, bar and counter height. An optional power grommet is centered on the tabletop and accommodates 2 power outlets and 2 USB ports. A magnetically attached panel is removable to access wires.

Model: LECOTBLB8436A
84W 36D 42H

Features

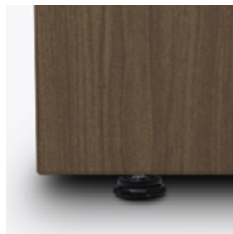

Counter Height or Bar Height

Choose from Counter 36H or Bar 42H.

Choose from Multiple Widths

Available in depths of 24D, 30D, 36D and 42D, and widths of 60W, 72W, 84W and 96W.

Height-Adjustable Glides

These make it easy to align the table on uneven floor surfaces.

Steel-Frame Construction

Features internal steel-frame supports for extra stability.

Durable Finish

Protea™ Fusion features intricate grain patterns created through a micro-layered clear form. This durable finish is moisture-resistant, easy to clean, and requires no maintenance.

Ships Assembled

Table ships fully assembled.

Optional Power Module

Optional black recessed power module, featuring two power plugs and two USB ports, is available.

Optional Wire Management Channel & Door

When a power module is selected, the wire management channel is integrated in one of the panels, the removable wire management door, attached with magnet, keeps and protects the cables from the top of the table to the floor.

10 Year Warranty

We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.
