

Titan Table Base

kwalu®

Titan Collection

Table Base

Built for strength with a sleek profile, Titan features a textured black finish and multiple size options to anchor a wide range of table configurations with confidence and style. Available in both standard and wheelchair heights for greater versatility.

Model: TTANI13
22W 22D 28H

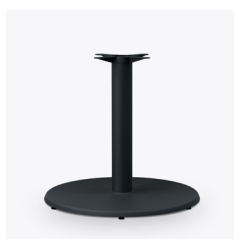

Features

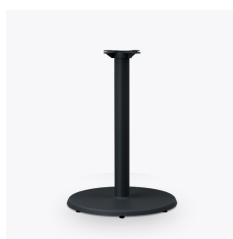

Adjustable Height Glides

The height of the glides can be adjusted manually to accommodate uneven flooring.

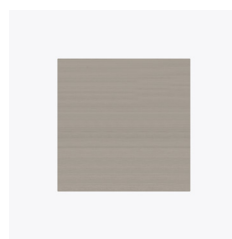

Different Sizes

Choose from 3 base sizes – 18", 22" and 30".

Optional Wheelchair

Wheelchair height base is available and is optional.

Compatible Table Tops

Choose from a variety of compatible round, and square table tops, specific to the 18", 22" and 30", all sold separately.

10 Year Warranty

Backed by a 10-year Performance Warranty on construction and finish, ensuring long-lasting durability and appearance.
