Lano

kwalu®

Lano Dining Chair

The Lano Dining Chair features a tall back and tapered legs that create a clean, architectural silhouette. Layered upholstery and a curved upper panel bring dimension to the back, while Protea™ delivers the warmth of wood with long term durability and the ability to withstand routine cleaning.

Model: LNO111
23W 24.5D 38H 20SW 19SD 19SH 25AH

Features

Protea™ Finish

Protea, our proprietary material, avoids the common drawbacks of wood. Protea is moisture impervious, graffiti-resistant, and easy to clean.

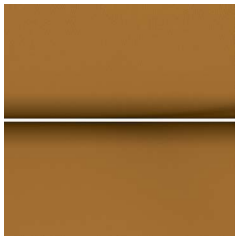

Steel-Reinforced

Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs.

Field-Replaceable Cushions

Seat and back cushions can be replaced in the field.

Visible Cleanout

Cleanout prevents buildup of debris for easy maintenance.

Optional Casters

Optional front-leg casters available. Not available on the recessed arm model.

Optional Recessed Arm

Allows the chair to sit closer to the table.

Three Customizable Fabric Zones

Upper back, main back, and seat can be upholstered in different fabrics.

10 Year Warranty

Backed by a 10-year Performance Warranty on construction and finish, ensuring long-lasting durability and appearance.
