# Lano Dining Chair

The Lano Dining Chair features a tall back and tapered legs that create a clean, architectural silhouette. Layered upholstery and a curved upper panel bring dimension to the back, while Protea™ delivers the warmth of wood with long term durability and the ability to withstand routine cleaning.

## Features

### Protea™ Finish

Protea, our proprietary material, avoids the common drawbacks of wood. Protea is moisture impervious, graffiti-resistant, and easy to clean.

### Steel-Reinforced

Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs.

### Field-Replaceable Cushions

Seat and back cushions can be replaced in the field.

### Visible Cleanout

Cleanout prevents buildup of debris for easy maintenance.

### Optional Casters

Optional casters available on front legs only.

### Optional Recessed Arm

Allows the chair to sit closer to the table.

### Three Customizable Fabric Zones

Upper back, main back, and seat can be upholstered in different fabrics.

### 10 Year Warranty

We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.
