Product Features

Durable Finish

Steel Reinforced

Concealed Cleanout

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

Concealed cleanout eliminates a debris build-up behind the seat cushion.

Product Foam

Foam is compliant with CAL 117 and AB 2998

Product Glides

Clear Plastic Butyl Screw in Glide
