Product Features

Durable Finish

Protea™ Fusion features intricate grain patterns created through a micro-layered clear form. This durable finish is moisture-resistant, easy to clean, and requires no maintenance.

Mount Hardware

The kit and instructions for wall mounting are included with this product. The wall mount instructions provided must be followed carefully for a secure, durable, and long-lasting solution to ensure the safety of the unit and the user.

Mitered Edge Frame

The 1.5″ thick face frame adds definition, with mitered corners that highlight precision and craftsmanship.

Door Hinges

100° self-closing, kitchen-grade Blum® Euro Hinges provide a smooth motion.

Drawers

Are constructed with both dowel and mechanical fasteners for additional strength. 100lb static and dynamic load Euro Drawer Slides allow for easy opening and closing.

Hardware

Edge pulls, designed exclusively for the Nashville Collection, are available in a matte black, gold, and satin nickel finish.

Optional Contrasting Plinth Base

Choose a contrasting plinth base, available exclusively in Premium Black, to elevate the overall aesthetic of the space.

Optional Top Drawer Lock

Top drawer lock is available and is optional; placed right if hardware is too large for center placement.

Rear Venting

Rear venting maximizes air circulation for improved health.
