Kwalu's GetWell Patient Room was awarded a Nightingale Innovation Award for Surfacing Material.	Valentia Bariatric chairs are rated to 500 lbs weight capacity.	Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.	Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.	Cleanout prevents buildup of debris and provides for easy maintenance.	The seat cushion can be replaced in the field.
