Product Features

					
Nightingale Award	Durable Finish	Motion Chair	Back Cushion and Seat Cushion are Field Replaceable	10 Year Warranty	Easy to Clean
Kwalu's GetWell Patient Room was awarded a Nightingale Innovation Award for Surfacing Material.	Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.	Kwalu's exclusive rocking mechanism produces an ultimately satisfying movement.	The back cushion and the seat cushion is one piece and can be replaced in the field.	We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.	Clorox Healthcare and Kwalu are partnering to promote cleaner surfaces. Kwalu chairs have no topical coatings, so sanitizing solutions commonly used in healthcare environments can be used – including 100% bleach – without degrading the finish.
