Product Features

Durable Finish

Kwalu’s solid surface (1/8” thick) proprietary finish doesn’t have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Steel Reinforced

Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

Concealed Cleanout

Concealed cleanout eliminates a debris build-up behind the seat cushion.

Optional Piping

Available with piping on front arms and front panel. Not available for units with Non-Removable Seat Cushion.

Optional Nail Head Trim

Optional nail head trim available on front arms and front panel. Not available for units with Non-Removable Seat Cushion.

Number of Seats

Choose from 2 seat styles – lounge and love seat.

Optional Seat Construction

Choose the best seat cushion for your application, a non-removable seat cushion for healthcare, or a loose seat cushion for senior living.

Product Foam

Foam is compliant with CAL 117 and AB 2998

Product Glides

Clear Plastic Butyl Screw in Glide
