Product Features

Durable Finish

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Steel Reinforced

Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

Removable Seat Deck

Removable seat deck prevents buildup of debris and provides for easy maintenance.

Optional Upholstery Style

Choose from 3 optional upholstery styles – no detail, with back stitching detail and buttons, or with back stitching detail.

Optional Corian®/Hanex®/Krion® Arm Caps

Formed and fitted solid surface arm caps are available and optional.

Optional Seat Construction

Choose the best seat cushion for your application, a non-removable seat cushion for healthcare, or a loose seat cushion for senior living. The Love Seat and Sofa will have a single seat cushion if a non-removable seat cushion option is selected.

Number of Seats

Choose from 4 seat styles – lounge chair, wider lounge chair, love seat, and sofa.

Product Foam

Foam is compliant with CAL 117 and AB 2998
