Product Features

Nightingale Award

Kwalu's GetWell Patient Room was awarded a Nightingale Innovation Award for Surfacing Material.

Durable Finish

Kwalu's proprietary finish doesn't have any of the drawbacks of wood. The finish is moisture impervious, easy to clean and maintenance-free.

Push on the Arms Mechanism

The recline mechanism is activated by a simple push back on the arms.

Concealed Cleanout

Concealed cleanout eliminates a debris build-up behind the seat cushion.

Three Position Recliner

The three-position recliner fully extends to a depth of 66 inches.

Easy to Clean

Clorox Healthcare and Kwalu are partnering to promote cleaner surfaces. Kwalu chairs have no topical coatings, so sanitizing solutions commonly used in healthcare environments can be used – including 100% bleach – without degrading the finish.
