Product Features

Durable Finish

Kwalu's proprietary finish doesn't have any of the drawbacks of wood. The finish is moisture impervious, easy to clean and maintenance-free.

Release Latch to Operate Back

Release latch on inside of right arm activates back reclining positions, which lock when latch is disengaged.

Lever to Operate Footrest

Lever on outside right arm independently controls the footrest only.

Concealed Cleanout

Concealed cleanout eliminates a debris build-up behind the seat cushion.

Extended Length

Fully reclines to a depth of 73 inches.

Easy to Clean

Clorox Healthcare and Kwalu are partnering to promote cleaner surfaces. Kwalu chairs have no topical coatings, so sanitizing solutions commonly used in healthcare environments can be used – including 100% bleach – without degrading the finish.

Product Foam

Foam is compliant with CAL 117 and AB 2998

Product Glides

Nylon Knock in Glide 7/8 inch
